EXT. JACKSONS HOUSE-AFTERNOON- 2016

Include a caption of the location (Monterey Bay California)

The year is 2016. Jackson Millbrook wakes up in his small farmhouse to a woman with silver curls, armed with a large purse pounding on his door. Jackson is old and lives alone-except for his German Shepherd. Hazily, Jackson stumbles to the front door and places his glasses over his green eyes.

JACKSON

Son of a bitch you're gonna break my
door down you old hag

Jackson eyes the plump woman with fair skin. She appeared frantic.

VALERIE

JACKSON? JACKSON! Jeeze, I always
dreamed of seeing your face again. I
drove the whole way out here...

Valerie stopped talking a mile a minute and observes Jackson standing on the brick stoop

VALERIE

By golly, Jackson Millbrook you
haven't aged a day

JACKSON

Forgive me ma'am, but who are the hell
are you?

Valerie stands still and silent for the first time since her arrival

VALERIE

Valerie. Valarie Burns. From
Montgomery.

Jackson removes his glasses and clutches the chipped yellow doorway. Valarie was Andy Allen's girlfriend. He had seen neither of them in almost half a century.

JACKSON

You haven't aged a day either Valerie.

Although older and out shape, the same giddy Valerie stood on Jacksons porch as she had all those years earlier

VALERIE'S FACE FADES

CUT TO SHOT OF ANDY, JACKSON, AND VALERIE AT MOSS RIVER 1965

EXT-MOSS LAKE (ALABAMA)- DUSK

Three friends are drinking beer and sunbathing by a river

VALERIE

Jeeze, look at those seniors over
there. They think they're all that

CUT TO SHOT OF 3 OLDER BOYS WORKING OUT NEAR THE LAKE

ANDY

Relax Val, remember that will be you
next year.

Valarie scoffs

ANDY

Bring my lady another lager

Allen gestures to Jackson who was pacing by the water.

JACKSON

Of course your highness

Jackson rolls his eyes and cracks open a can. He walks to
where Valerie and Allen sat in the grass on a matted bath
towel.

ANDY

Thank you. You're a good servant

JACKSON

Shut up prick

Jackson returns to his perch on the waters ledge and studies
the other people at the lake. Sailors,couples,many teenagers.
Jackson then notices some frogs on the bank

CUT TO SHOT OF FROGS THEN BACK TO JACKSON

Andy is now drunk and stumbles next to Jackson

JACKSON

Say did you know frogs are amphibians?
They can breathe underwater and on
land.

ANDY
Whaaaaaaaaaat

ANDY'S VOICE TRAILS OFF AND HE STARTS HYSTERICALLY LAUGHING

JACKSON
Shit how many beers you have Andy?

In one swift motion, Andy yanks down Jacksons shorts and runs away.

JACKSON
What the hell you homo!!!

Jackson is at first annoyed but after pulling his shorts back up begins to chase Andy.

JACKSON
I'm gonna get you!!!

ANDY
I'd like to see you try

The boys run around the beach until they're back at the matted towel. Valerie lays under the golden sun wearing a bathing suit.

VALERIE
Knock it off!!

She tilts her dark sunglasses upward and winces as Andy tumbles to the ground

VALERIE
You're making a scene, both of you. Now stop it.

Andy gets up and brushes the sand off his body

ANDY
Sorry babe

Andy leans in and kisses Valerie.

Andy then turns to Jackson who is panting and clutching his chest from the chase.

ANDY
Alright pal, how are we gonna settle this?

Jackson looks around and scratches his head.

ANDY

WELL?

JACKSON

Whichever man can swim to the other
side of moss river wins and will be
crowned champion

VALERIE

Thats stupid

Andy pauses for a minute a studies the water

ANDY

I'm in

VALERIE

You're crazy you do know that right?

Jackson leans in and shake hands with Andy

CUT TO SHOT OF BOYS WALKING TO THE WATER'S EDGE

Valerie scoffs again and follows

EXT-WATERS EDGE- STILL DUSK

ANDY

If I win you owe me a soda.

JACKSON

And if I win, I get to kiss Valerie

VALERIE

...On the cheek only

She smiles quietly and Andy nudges Jackson

JACKSON

READY, GO!!

Jackson jumps into the water, a huge splash follows.

ANDY

Hey no head starts !!

Andy plunges into the water.

CUT TO OVERHEAD SHOT OF THE BOYS HURRIEDLY PADDLING ACROSS

THE RIVER.

Jackson splashes and paddles as hard as he can, peering over his shoulder to make sure he was ahead of Andy

CUT TO A SHOT OF ONLOOKERS NOTICING THE RACE AND FORMING A CROWD.

Jackson is near the bank on the other side and almost victorious.

JACKSON (CALLING OVER HIS SHOULDER)
I hope you're ready to see me kissing
Valerie PAL

NO RESPONSE

JACKSON
Hey Andy?

Jackson notices there's now commotion and people at the shore are running around in hysterics. He pulls himself onto the bank and sees 2 slim arms flailing in the water. Andy's mop of yellow hair sinks into the darkness forever.

EXT. MONTEREY CALIFORNIA PRESENT DAY- AFTERNOON

Jackson has now left his home wearing the plaid pajamas he went to bed in. He sits in the passenger seat of Valerie's Jeep Wrangler as she speeds down a winding road.

JACKSON
Where in God's name are we going?

Valerie says nothing and keeps her dark eyes on the road. She hands Jackson a very cracked iphone, he sits in the seat of the car

CUT TO SHOT OF "THE ASTRAL ALLEN" A WEBSITE THAT PROMOTES SPIRITUAL INDEPENDENCE

Jackson stares blankly at the road ahead. They were still in the country headed down a long road. He doesn't get it.

VALERIE
The Astral Allen dedicated his life to enlightenment and purity after he almost died. If you think he's a wacko- that was my first thought too.

Valerie finally stops the car under some piney trees.

Before Jackson can even figure out what all this means Valerie is already out of the car and headed down footpath formed in tall grass.

They arrive at the mouth of a large cave. Jackson finally figures it out. 45 minutes ago he was in bed and now he's about to close one of the biggest wounds of his life.

A tall, yet hunched over figure appears from the cave

ASTRAL ALLEN
Hello Valerie. Hello Allen. How good
it is to see all of you

FADE OUT
