INT. PRO SHOP - DAY

CLARK, 25 years old and slim, has a thin layer of sweat on his forehead as he stands in a small group crowding around the checkout counter in a golf pro shop. There are two other people wearing similar clothes next to him: JESS, a blonde haired woman in her early twenties, and KYLE, a young and preppy looking man standing in between Jess and Clark.

CLARK

So do you usually just stand..

KYLE

Shut up rookie!!!

Jess rolls her eyes at Kyle's action, but at the same time, ADAM, 47 years old and slightly chubby with a sturdy frame, walks in eating a donut.

ADAM

Alright guys... and Jess... umm today is a big day for the pro shop staff.

(points at Clark and starts to rummage through his desk drawers)

It is Clark's first day of work. Come on give him a hand.

Kyle grabs Clark by the shoulders.

KYLE

Welcome to the bigtime Kyle.

Clarks stares at Kyle in confusion. Adam throws Clark his name tag.

ADAM

On a more important note. Clark, for today direct any of your questions to the lovely Jess. She usually isn't with us like this. She's part of the event staff, but today is out of the ordinary. We have a massive wedding and I was notified that the event staff is down a person. So it's up to you to pick up the slack. Your number one priority is to help this wedding go smoothly. You better be able to handle this rookie.

Clark looks at his coworker and lingers a little too long on Jess. Jess notices, but Clark quickly looks away.

ADAM(CONT.)

So Travis, where the Hell is Travis?

(sniff)

Well since Travis isn't here but
Kyle's here...

(sniff)

(sniff)

That damn skunk is gonna be the end of
me. Well anyway Kyle's gonna show you
around the place. Then you'll join
Jess at the wedding.

All three workers walk out of the office, but Kyle takes Clark to the locker room with Jess heading out to the lobby. Adam heads into his office.

INT. LOCKER ROOM - DAY

KYLE

These are the lockers. Feel free to
put your stuff in here before going to
work. We got washers and dryers back
here incase you need them.

As Kyle and Clark talk, TRAVIS falls from the pipes in the ceiling with smoke following him.

CLARK

What the hell?

KYLE

Travis are you okay? Were you smoking
weed up there?

TRAVIS

I swear I just saw that skunk. Y'all,
y'all just didn't see him? Thats what
I was doing up there.

Travis is trying his best to hide the joint thats still burning.

KYLE

Clark, go find Jess and tell her to
finish your tour. I gotta go find
Adam.

Kyle runs out of the room and into the lobby. Travis and
Clark stare at each other trying to read each other.

TRAVIS

You must be the new guy. Clark, right?
I'm Travis. Let Me show you around.

INT. LOBBY - DAY

Kyle is running around the country club looking for Adam.
Kyle finds Adam and locks eyes with him. Adam walks in the
opposite direction. Kyle runs toward him, having to catch his
breath when he reaches him.

ADAM

Hey Kyle. What's going on?

KYLE

Hey Adam, you know that smell...

ADAM

Yea, uhh huh.

KYLE

...that passes every morning. It's
Travis. While I was giving Clark a
tour of the locker rooms, he fell from
the ceiling.

As Kyle continues with his final sentence, he notices Adam is
not next to him. He sees him walking in a different
direction, focused on something else.

KYLE(CONT.)

He was smoking... weed.

INT. LOBBY - DAY

Travis is showing Clark the lobby and gestures and points
towards notable places in the building. They pass Adam and
Kyle talking, but Travis leads Clark outside and points him
towards Jess's direction.

EXT. COURTYARD - DAY

Travis is contemplative as he watches Clark walk towards

Jess. He turns around and sees that Kyle is standing alone in the lobby. He sighs and goes inside.

INT. LOBBY - DAY

TRAVIS

So you found Adam huh.

KYLE

Yea man no use in hiding it anymore.
He knows.

Travis stands there as Kyle walks away. Travis walks toward the bar.

EXT. COURTYARD - DAY

Jess is organizing flower arrangements for the ceremony as she sees Clark walking towards her. Jess places her hair behind her ear as he gets closer.

CLARK

Hey, so umm, so I guess I'm here to help you.

JESS

Yea just help me with these flowers.
Whats up with the two bafoons Travis and Kyle?

CLARK

Kyle's looking for Adam to tell him that Trav's smoking weed in the vents or something.

JESS

Damn Travis. Now I gotta find a new spot.

CLARK

How long have the three of you been working together?

JESS

I've been here for two-and-a-half years, but I'm in a different department, so only on special occasions do I see the pro shop.

CLARK

Are you the wedding planner or

something?

JESS

I wish. I work at... sorry, you're doing it wrong. Here let me show you.

Jess puts her flowers down on the table and grabs Clark's hands to show him how to arrange the flowers. In the back, the bride, SARAH, and bridesmaid, CLAIRE, walk toward them.

SARAH

Hey guys, thank you so much for helping put all this together. It means so much.

CLAIRE

Yea everything is looking really good.

JESS

No problem, we do our best to make the bride's wedding day memorable.

Claire eyes Clark attempting to put the flowers together while Jess is conversing with them. Claire sits down and shows Clark the method. Sarah walks away with Claire toward the clubhouse.

JESS

Oh my god. She was eying you up.

CLARK

Huh? What? No, she was just being nice.

JESS

Come on. She was staring at you the whole time.

CLARK

Really?

JESS

Absolutely. You should go talk to her. Actually, I dare you to go talk to her.

CLARK

I don't know? You really think I've got a shot?

JESS

Guess there's only one way to find out.

INT. LOBBY - DAY

Clark walks into the lobby looking for Claire. Adam can be seen walking around aimlessly. Kyle's helping the caterers move the cake.

INT. BAR - DAY

Travis is sitting at the bar with a couple of empty glasses by his side. A sharp dressed man, HENRY MULLIGAN, takes the seat next to Travis.

HENRY MULLIGAN

I see you're dressed like everyone else here. Do you work here?

TRAVIS

I don't know anymore.

HENRY MULLIGAN

Well, I'm new here. I'm trying to become a member, but the guy I was suppose to meet isn't here. I've been waiting here for a while.

TRAVIS

What's the guy's name?

HENRY MULLIGAN

Kyle Shanahan, Kyle Scherer, Kyle something.

Travis's face perks up hearing Kyle's name and walks away.

TRAVIS

Give me a moment.

INT. LOBBY - DAY

Travis walks around the lobby smiling looking for Adam. They spot each other and walk toward one another. Travis takes a deep breath in.

TRAVIS

If it isn't my favorite manager. I've got a question to ask you.

ADAM

What can I do for you Trav?

TRAVIS

I know I'm not in sales, but if I were to get a new member, what would be in it for me?

ADAM

Since you're pro staff you would get a pretty nice commission.

TRAVIS

Thank you Boss man. And have you perhaps seen Kyle around?

ADAM

He's should be over there.

Adam points towards a direction and leaves as Travis looks. Travis chuckles and walks back to the bar.

INT. BAR - DAY

TRAVIS

Hey. Henry, right? Name's Travis. et me show you around.

Travis reaches his hand out to shake Henry Mulligan's hand.

HENRY MULLIGAN

Alright Travis, show me what this place has to offer.

The two leave the restaurant and begin the tour.

INT. BANQUET HALL - DAY

Kyle is helping with the cake. He is lifting it onto the table with two other restaurant employees, KAYLA, a small 26-year-old, and MARK, a tall 24-year-old.

A cell phone alarm goes off.

KYLE

Sorry guys, I've got to go.

Kyle suddenly lets go of the cake, turns off the alarm, and speed walks away. Kayla and Mark wobble with the cake because of Kyle's departure. They scramble, stabilize, and set the cake on a nearby table.

They both take a great sight of relief.

INT. BAR - DAY

Kyle walks into the restaurant. He walks up to the bar and sits. He looks up to see the bar tender, JEREMY, a suave looking man in his late 40s.

KYLE

Hey Jeremy did you see a man in here?
His name is Henry.

JEREMY

Yeah there was a guy in here just a
second ago.

KYLE

And where is he now?

JEREMY

Uh, I think he left with Travis.

KYLE

Oh.

Kyle ponders for a moment.

KYLE

He left with who?

JEREMY

Travis.

KYLE

That prospective member stealing son
of a bitch.

Kyle gets up from the bar and runs full speed through the restaurant. He plows through a FAMILY walking into the restaurant.

KYLE

Out of my way people!

Kyle swings open the doors of the restaurant and runs out.

INT. RESTAURANT - DAY

Clark is looking around the restaurant to find Claire. He walks up to a waitress, CASSIDY, a woman with brown hair in

her 30s.

CLARK

Hey, have you seen the bridesmaid around?

CASSIDY

I haven't. You should probably look up stairs in the banquet hall.

CLARK

Alright. Thanks.

INT. BANQUET HALL - DAY

Clark walks into the banquet hall. He heads over to Kayla and Mark who are now putting the finishing touches on the cake.

CLARK

Have you guys seen the bridesmaid? I can't seem to find her.

KAYLA

I haven't

MARKK

I haven't either, sorry.

CLARK

It's all good.

Clark dejectedly walks back down the stairs.

INT. RESTAURANT - DAY

Clark walks back into the restaurant and goes up to Cassidy.

CLARK

Hey, where are the restroom around here?

CASSIDY

Oh, it's down that hall and to the right.

INR. RESTAURANT/RESTROOM - DAY

Clark opens the door to the restroom to see Claire and the groom, HENRY MARTIN, a tall well-dressed man in his late 20s, making out. The two stop immediately and look up. Their faces are petrified.

CLARK
I'm so sorry!

Clark slams the door shut and speed walks out of the restaurant.

EXT. COURTYARD - DAY

Clark speed walks toward Jess.

CLARK
Jess, you will not believe what just happened.

JESS
Alright, what happened?

CLARK
So I went to go find the bridesmaid, right.

JESS
Right.

CLARK
I looked in the restaurant and I went upstairs. I looked everywhere and I couldn't find her.

JESS
Okay.

CLARK
Then I went to go to the bathroom and you won't believe what I found.

JESS
You didn't find her in the bathroom did you?

CLARK
Well I found the bridesmaid, and let's just say I found out she's a good kisser.

Jess's tone becomes cold and her face droops.

JESS
OMG, theres no way.

CLARK

Yes way. It seemed like the groom was really enjoying it.

Jess's jaw drops.

JESS

Oh my god. You saw the bridesmaid making out with the freaking groom.

CLARK

What should we do? Should we tell the bride?

JESS

Absolutely not. This wedding can't fall apart because of us.

EXT. DRIVING RANGE - DAY

Travis and Henry Mulligan are at the driving range. Henry Mulligan is hitting golfballs as Travis stands behind him.

TRAVIS

What do you think so far, Henry? Could you see yourself coming here after a long day of work?

Henry Mulligan hits another golf ball.

HENRY MULLIGAN

I am starting to see it Travis.

Kyle comes storming onto the driving range. He walks right past Travis and up to Henry.

KYLE

Hi Henry, it's Kyle. We briefly met last time you came in.

HENRY MULLIGAN

How's it going Kyle?

Kyle gives Henry Mulligan a handshake.

KYLE

It's going well Henry. I see you've met my associate Travis here. I hope he has given you a great tour so far.

HENRY MULLIGAN

He sure has.

KYLE

I apologize for my absence. We have a huge wedding today that I have been helping with. Can I help you the rest of the way?

Henry Mulligan opens his mouth to respond, but Travis cuts in.

TRAVIS

You know Kyle, I think I have things handled here. I know you still have a lot of work to do with the wedding.

KYLE

Surely you have a golf lesson going on soon, Travis. Let me take Henry from here.

TRAVIS

I just happen to have a perfectly clear schedule today so it's no sweat off my back.

Kyles face turns bright red.

KYLE

Of course you do. But I'm sure Henry would rather finish the tour with me since he was originally expecting me to show him around.

Kyle then turns to Henry Mulligan.

KYLE

Which I'm severely sorry I didn't get to you in time.

Henry Mulligan looks irritated.

HENRY MULLIGAN

How about you guys both give me the rest of the tour?

TRAVIS

That works for me Henry.

Kyle makes a face of disgust that turns to defeat.

KYLE
Alright let's do it.

The three walk to a line of golf carts next to the driving range. Travis and Henry Mulligan are in front of Kyle. Kyle notices and begins to walk quickly. Kyles tries to beat Travis to the drivers seat of the gold cart but Travis sits down first.

Kyle speaks under his breath to Travis.

KYLE
Are you kidding me. Move.

TRAVIS
No.

KYLE
Come on, this is my client. You know that.

TRAVIS
Get on the back of the cart.

KYLE
Fine. I hate you. I really do.

Henry Mulligan is looking around pretending not to notice the conversation.

KYLE
Alright Henry, I'm just going to get onto the back of the cart and we'll show you around.

The three exchange awkward smiles at each other. Kyle walks around and steps onto the back of the golf cart.

The trio drives off.

EXT. COURTYARD - DAY

Jess and Clark are standing away from the crowd.

CLARK
Well I don't think she's going to go out with me.

JESS
This isn't funny, Clark, come on.

CLARK

I'm just saying. You said she would be interested and I think it's clear that she has someone else in mind, that's all.

JESS

Oh that poor bride.

CLARK

I know. Do you think she would go for me?

JESS

Clark.

Jess gives Clark a playful slap to his shoulder.

CLARK

I'm just saying, I think the bride will be back on the market sooner than she expects.

JESS

I won't encourage you to go for that one.

Claire runs out into the courtyard and addresses the group of WEDDING ATTENDEES.

CLAIRE

Hello everyone, the ceremony is about to start, and the bride isn't in her dressing room. If anyone knows where she is, would you please let me know?

The chatter amongst the people in the courtyard quickly comes to a stop. No one speaks up.

CLAIRE

If no one knows where she could you please be on the lookout for her? Anyone not doing anything essential right now please help find her.

People scatter from the courtyard.

Clark looks over at Jess.

JESS

We need to help look for her. You go

that way and I'll go this way.

CLARK

Sounds good.

EXT. GOLF COURSE - DAY

Clark is driving a golf cart. He sees a group of golfers flag him down. The golfers are DARREL, male in his 60s, LINDA, a woman in her 60s, DAVID, a man in his 70s, and SUE, a woman in her 70s.

Clark drives the cart over to the group.

DARREL

Hey, excuse me, there's a woman sitting on the green and she won't move.

CLARK

Oh my god. Thats the bride.

Clark drives the cart to the green. Sarah is sitting on the green and crying. She looks like a mess with her hair crazy and is wearing just a tank top and shorts.

Clark parks the cart and walks out onto the green.

CLARK

Hey, what's going on?

Sarah wipes the tears from her eyes and looks up at Clark.

SARAH

I don't know. I just got so overwhelmed. I couldn't take it so I got up and left.

CLARK

It's ok. I know a wedding is such a huge event. It makes sense to have second thoughts with such a life changing decision.

SARAH

I know. I feel like I'm just going crazy with it all. I have been getting so paranoid and short with him.

CLARK

You aren't going crazy. These are

normal emotions. First let's get you off the golf course and back to the dressing room, ok?

SARAH

OK

Clark reaches out his hand and helps her up. They walk over the the golf cart and they get in.

INT. DRESSING ROOM - DAY

Clark walks into the dressing room with Sarah. She is sobbing again.

SARAH

I just don't know what's wrong with me. I just feel that I can't trust him. I know I'm delusional.

Clark has to turn his head to hide the smirk on his face. He looks back to her hiding it.

CLARK

You are ok. It's a huge day that's all. Just get yourself ready and all of these feelings will go away.

SARAH

Ok, I can do that.

CLARK

I'm going to leave now. Will you be ok?

SARAH

Can you just stay with me for a little bit. There's something comforting about you. Nobody else is able to put me at ease. Even my bridesmaid, Claire, has been acting strange.

CLARK

Yeah that's fine.

Clark sits down on a stool next to the door.

SARAH

I'm going to change now. Can you just turn around and face the door.

CLARK

You sure you don't want me to just leave the room for a second?

SARAH

No, please. I want you in here with me. Just sit right there facing away and it will be fine.

CLARK

Ok.

Clark sits facing the door as Sarah takes her tank top off. Footsteps are heard outside the door. Knock, knock, knock.

HENRY MARTIN

Sarah, are you in there?

SARAH

Yes.

The door swings open and Henry Martin sees Clark in the room with Sarah who has her shirt off.

HENRY MARTIN

Oh my god!

Startled Clark falls off of the stool and lands on his back. He scrambles his way back up to see Sarah's bare chest.

CLARK

Oh my god!

INT. DRESSING ROOM - DAY

CLARK

It's not what it looks like! I promise!

HENRY MARTIN

Yeah I'm sure y'all were just casually having a conversation with her boobs out.

SARAH

C'mon, don't be like that. Clark here was just helping me.

CLARK

Sir this is all a big misunderstanding.

HENRY MARTIN

Are you kidding me right now? I've seen you flirting with that blonde chick all day.

CLARK

I swear it's not what it looks like. She was feeling upset and we were talking when her tank top...

Clark's voice trails off as he realizes the severity of the situation. The three of them are standing close together in the dressing room.

HENRY MARTIN

Oh yeah I'm sure she was upset...

CLARK

Sir, she was upset... she said she couldn't trust you. Now why would she say that? Maybe there's something you would like to share.

Henry Martin stares Clark in the eyes.

SARAH

What is he saying ?

HENRY MARTIN

Get out of here. And if I see you even glancing at her...you will be sorry.

Clark turns to leave. Henry Martin follows and puts his hand on Clark's shoulder.

HENRY MARTIN

(discreetly)

I'll cut you a deal buddy. If you don't say anything of me and Claire, I won't kick your ass, ok?

Clark nods.

CLARK

Ok.

INT. PRO SHOP - DAY

KYLE

And in here you'll find our pro shop.

HENRY MULLIGAN
This is all very impressive.

TRAVIS
Yes, you'll find only our finest
members in here.

Henry Mulligan looks around and notices a gaping hole in the ceiling that has been covered sloppily by tarp

HENRY MULLIGAN
What happened up there?

Henry Mulligan gestures to the patched hole.

HENRY MULLIGAN
I certainly wouldn't tolerate seeing
such atrocity in my golf establishment

KYLE
Oh, of course sir. I apologize it only
happened this morning. That's where
Travis was smoking marijuana.

Henry Mulligan's eyes widen at this revelation. Without missing a beat, Travis begins laughing and minimizing the situation.

TRAVIS
Hahaha. We do love to make jokes
around here. A family of skunks living
in the ceiling actually fell through,
super sad.

HENRY MULLIGAN
My goodness, those poor skunks.

TRAVIS
Yes we would have a funeral but we're
already busy with a wedding.

Henry Mulligan and Travis laugh. Kyle joins in. Travis shoots Kyle a dirty, sharp glare. As they walk away from the shop Travis pinches Kyle's neck.

EXT. COURTYARD - DAY

Jess is still setting up the wedding, alone. Clark walks up.

JESS
Where have you been?

CLARK
Something bad happened.

JESS
You know what's bad? This wedding starts in an hour. We still aren't set up. You know what else? The couple this whole wedding is for is nowhere to be seen.

CLARK
Yeah, well about that.

JESS
Clark, you didn't say anything to anyone did you?

CLARK
No.

JESS
Clark?

CLARK
I'm sorry, she was sad because she could tell he was with another girl, so I tried to cheer her up. And then her shirt came off, and I had to blackmail the groom into not killing me. I didn't tell her though.

Clark closes his eyes and sighs.

JESS
You gotta fix this

CLARK
What? How?

JESS
How much does she know?

CLARK
I only hinted at it, I never said anything concrete. Besides, I don't think that they should be getting married. The fact that they are acting like this before they've even gotten married.

JESS

It doesn't matter. You've interfered too much and potentially ruined their relationship. Go and apologize to both of them about everything. If you can talk Adam into getting a job here you can do this too.

Clark looks at the ground, contemplating.

INT. BANQUET HALL - DAY

The tour continues and the animosity between Kyle and Travis escalates

TRAVIS

And in here is our banquet hall. Today we have a wedding in here.

HENRY MULLIGAN

This would be a fine place to play poker.

TRAVIS

Why yes, a fine place to play poker. Also a fine place for Kyle to play games on his phone so he doesn't have to help with closing.

KYLE

Yes, well at least I'm not spending half of my shift looking for skunks.

TRAVIS

(to Henry Mulligan)

Sorry about Kyle. He just gets a little fussy when he doesn't get his nap.

Kyle and Travis stand increasingly close to each other. The situation is escalating. Henry Mulligan stands off to the side, looking appalled.

HENRY MULLIGAN

That does it. I will find another golf course. In all my years I have never seen such foolishness exhibited. Good day gentlemen.

Henry Mulligan storms out of the establishment

EXT. COURTYARD - DAY

Sarah and Henry Martin are sitting on a bench in the courtyard discussing all the events of the day. Clark walks over.

HENRY MARTIN

Hey man, I thought I told you off already.

CLARK

Listen, I don't want any harm. I swear. I just wanna talk.

HENRY MARTIN

Didn't we say that there was nothing to talk about.

CLARK

Listen, I know you both are upset with each other...and probably me. I am so sorry for all of this. I didn't mean any harm.

SARAH

Babe, I really wasn't with him. No offense Clark, but a golf shop employee isn't appealing. There's only one man that I want.

CLARK

I think that's a little harsh, but yes there was nothing going on between us.

HENRY MARTIN

Yes it is Clark. Baby I'm sorry you've felt I couldn't be trusted. I promise I've never tried anything. You're the only one I want.

SARAH

You too.

CLARK

So, wedding's back on?

HENRY MARTIN

Yes it is!

The couple kiss and hug.

INT. BAR - DAY

Kyle and Travis are sitting at the bar. They look defeated. Both of them have nearly empty pints of beer in front of them.

JEREMY

Another round fellas?

KYLE

Yes please

Kyle drops his head against the bar as Jeremy produces another round of shots

TRAVIS

Listen man, I think we both went too far.

KYLE

You went too far dude. Not me. I was trying to give my client a tour and you had to go try and razzle dazzle him.

TRAVIS

First of all I did, second of all... I'm sorry I embarrassed you man. We're both just trying to make a living. We gotta play for the same team.

KYLE

And I'm sorry too. I got so mad that you were going to steal my client. I couldn't take it.

TRAVIS

Thanks buddy. Well, I don't know about you but I'm feelin' pretty wasted now.

Jeremy clears their glasses. Just as he's doing so, Adam bursts through the doors.

ADAM

What on God's Green Earth are you both doing here?

KYLE

We were just relaxing. I mean, well,

haha.

Kyle tries to conceal the slurring of his words

ADAM

Well you need to stop relaxing, this wedding has been a shit show and I'm extending both of your shifts to help.

TRAVIS

There's no way.

ADAM

There is a way. I'm the boss and am telling you two to get back to work. A potential client has already told me about how unprofessional you two have been. You two better clean up your acts and not cause any more trouble, or I'll find replacements. You guys better not be drunk right now.

Travis eyes Kyle. They exchange a mutual look of dread.

TRAVIS

We are not drunk. We were just rehydrating after showing a prospective client around. And with all due respect, that client had a stick up his ass and would kill the vibe of this course.

KYLE

Fuck Henry! hahaha

ADAM

I don't have time for you guys right now. This wedding is a disaster and needs assistance. Go help and I'll deal with you too later.

Despite not being able to think clearly, Travis and Kyle try walk as normally as they possible can, shuffling their way to where the event is.

INT. BANQUET HALL - DAY

Jess continues to set up the event. She is rushing as she doesn't have any help. Travis and Kyle stagger over to her.

TRAVIS

Hey Jess, I heard you needed some help.

JESS

Yes, I do. Stand here and help me. We need to hurry.

KYLE

What are we helping with again?

JESS

The wedding?

KYLE

Oh right.

JESS

Oh, sweet Jesus. Have you both been drinking? I swear to god.

TRAVIS

Jess look, look okay, I'm sorry. We have had terrible shifts and we went to go enjoy a couple drinks like responsible adults. Don't worry, we didn't have too much. We are perfectly able to help you.

Travis stumbles and knocks over a cup on the table.

JESS

Oh lord. Ok. Well I don't have the luxury to complain. Just help set up tables and hang decorations and try not to knock anything else over.

Clark comes running in.

CLARK

Well Jess, your wish has come true. The wedding continues.

JESS

How did you make that happen?

Before Clark can explain the situation, he notices Travis stumbling around while attempting to hang a row of flowers.

CLARK

My god, what happened to him?

JESS

He's just a moron. Looks like Henry Mulligan will not be signing up any time soon.

CLARK

Henry Mulligan? Wow, I wish I could've given him a tour.

JESS

How do you know Henry?

CLARK

Who doesn't know Henry?

Claire, approaches Jess and Clark.

CLAIRE

I just want to let you guys know the ceremony is starting in 30 minutes.

Kyle breaks a glass.

CLAIRE (CONT'D)

Are you guys going to be ready?

JESS

Don't worry. We will be.

The Claire walks away.

JESS (CONT'D)

Shit. We need to hurry.

Clark, Jess, Kyle, and Travis hurry to set up the event.

EXT. GOLF COURSE - DAY

Kyle and Travis sit inside of a golf cart.

KYLE

I think we did a serviceable job setting up. I may have broken a few glasses and you may have knocked over a table, but we got it all done.

TRAVIS

We sure did. I think we should be proud of our work. At the very least, Adam can't be upset.

Travis notices Claire crying beneath a tree.

TRAVIS (CONT'D)

Is that the bridesmaid? The ceremony's happening right now. Is she crying?

KYLE

Let's go find out.

Kyle drives the golf cart toward Claire, not without almost hitting a few trees.

TRAVIS

Hey miss, what's the matter?

Claire, with mascara smeared across her face, looks up at Travis in the golf cart.

BRIDESMAID

(sobbing)

He told me he couldn't see me anymore. He has to commit to Sarah and has to remain faithful to her. She's my best friend, and I know I have betrayed her, but I'm deep in love with Henry.

Travis looks intrigued, and he and Kyle look at each other.

TRAVIS

Henry Mulligan. I knew he was a piece of shit.

Claire looks at Travis, confused.

CLAIRE

No, not Henry Mulligan, Henry Martin.

Travis and Kyle are not listening to Claire.

KYLE

(to Claire)

Where is Henry right now?

CLAIRE

He's getting married right now.

KYLE

Henry's the groom? Why was he getting a tour of the course on the day of his wedding?

CLAIRE

What are you talking about?

TRAVIS

(to Kyle)

I think he needs to be taught a lesson.

CLAIRE

Wait! What are you doing?

TRAVIS

Step on the gas, Kyle, we've got a wedding to crash.

Kyle steps on the gas and Claire runs after them.

EXT. COURTYARD - DAY

Clark and Jess are standing about ten yards back from the back row, watching the ceremony proceed.

JESS

I didn't think you had it in you. You saved a marriage today. I'm honestly kind of impressed. You must be some kind of romantic.

CLARK

I mean I couldn't pull in the bridesmaid. Actually, where is the bridesmaid?

JESS

Well she seems like trouble anyway. I'm sure plenty of girls would want to be with you.

Clark and Jess look into each other's eyes. Henry Martin and Sarah begin to exchange vows. Clark slowly moves his hand towards Jess's hand. As their hands are about to touch, incoherent yelling can be heard. The crowd looks back and a golf cart crashes into the middle of the alter, and the crowd jumps out of the way. Travis and Kyle crawl out of the crash, and Travis starts yelling.

TRAVIS

Henry you absolute piece of human garbage! You think you can cheat on your fiancé, break the poor

bridesmaid's heart, and worst of all
complain to us behind our backs to our
boss? How dare you?

KYLE
(to Travis)
Where is he?

SARAH
(to Henry Martin)
You broke the bridesmaid's heart? You
told me there was nothing there! My
instincts were right not to trust you.
We are done!

HENRY MARTIN
I promise nothing happened! Everyone
who works here is batshit crazy!

Sarah begins to storm off right as Claire walks in into the
ceremony.

SARAH
(to Claire)
How could you? My best friend. I never
want to see your face again.

Sarah shoves Claire and continues to storm off.

HENRY MARTIN
(to Kyle and Travis)
Who are you guys and what business do
you have interfering with my life?

Henry charges Travis, but is held back by other wedding
guests.

Adam runs in. He sees Kyle and Travis in the middle of the
commotion.

ADAM
What have you guys done?

Clark and Jess watch these events in shock along with most of
the other guests.

INT. PRO SHOP - DAY

Adam stands in front of Clark, Kyle, and Travis, addressing
them.

ADAM

I don't know what to say. You three have let this golf course down. You also broke up a marriage. I don't know exactly who did what, but just know all three of you are on extremely thin ice. Especially you, Kyle and Travis. Now get out of here.

EXT. GOLF COURSE - DAY

The three walk outside the building. Kyle and Travis branch away from Clark.

KYLE

Fuck Adam. We did that couple a favor by breaking up that wedding. We saved that woman from marrying that prick.

TRAVIS

We sure did. I don't know what Adam's so upset about.

KYLE

We should work together more. Even though Adam's pissed, I had a good time with you today.

TRAVIS

I did too buddy.

Clark walks toward Jess who is waiting for him.

JESS

How'd it go in there?

CLARK

Well I kept my job.

JESS

Well that's good. I like it better here with you around. You are a nice change of pace.

Jess nods to where Kyle and Travis are walking.

CLARK

Those guys are interesting to say the least. Hey, would you like to grab something to eat?

JESS

Oh, sorry I can't. My boyfriend's
picking me up.

A pickup truck pulls up in the front of the parking lot.

BOYFRIEND

Come on babe! We're going to be late.

JESS

(to Boyfriend)

I'll be right there!

(to Clark)

Have a nice day Clark. I'll see you
tomorrow.

CLARK

See you tomorrow.

Jess gets into the truck with her boyfriend, and they drive
off.

Once Jess leaves, Clark doesn't hide the disappointment on
his face. He walks to his car to leave.

As he leaves, we can see a crashed golf cart with knocked
over tables and chairs.

INT. PRO SHOP/ADAM'S OFFICE - DAY

Adam is sitting and working at his desk when Travis walks
into the room. Travis sits down at Adam's desk.

TRAVIS

What did you call me in for, sir?

ADAM

Well as I'm sure you are aware, I
heard from Kyle about you falling from
the ceiling. I also heard about the
weed. This is very serious, and it
could get you fired.

Travis's face goes still and his hands tap uncontrollably on
the table.

ADAM

Now I need to make sure that you know
this can't happen again. I benefit
from your weed just as much as you do.
So as long as you stay under the radar

and keep supplying me I'll cover for
you from upper management. Is this
clear?

TRAVIS

Yes sir.

ADAM

No more fuck ups.

TRAVIS

Yes sir.

ADAM

Now go!

Travis walks out of the office and back into the pro shop.
